INLAND WATERS TRAP LEAGUE ONTARIO EVENT RESULTS

We had a great turnout at Ontario with 164 shooters and ended up registering 201 shooters this year! I appreciate all of your efforts in trying to draw new shooters into our league. Congratulations to Lou Abbondanzieri Jr. for shooting his first 50 straight! Heidi Womer, Steve Kornbau, Jeff Gallahan & Peter Holmsten also joined him with a perfect score for the weekend.. Tracy Abbondanzieri won the 50/50 for \$49. A big thanks to Guy Slack and Pete Hamman for donating items for this years Wounded Warrior raffle, we were able to raise close to \$300 this past weekend alone. Don't forget, we ALWAYS have the donation bucket out. All of the money we raise stays local and helps support a bird hunt in for Purple Heart recipients. We will see you all in Lima January 5 th & 6th. Matt and I wish you all a very Merry Christmas and Happy New Year!

THE WELL ARMED WOMAN

By Frankie LaMarca

The Well Armed Woman Ontario, NY Chapter completed our first official shooting season 2018 with a BANG!

Our leadership team of Heidi Levan, Robin Jones and I would like to thank the people who made this possible.

Thank you to Ontario Rod and Gun Club, Steve Verdi, Ken Paul and the unanimous approval from the ORGC Board for their confidence and support as we began our mission to teach women the skills necessary for safe, responsible firearm use and ownership.

We would like to thank our trusted, vetted Range Safety Officers: John LaMarca, Chris Ranson, Pete Sundquist, Bob Ledgerwood, who helped oversee and manage safety and equipment on the range so that we could concentrate on providing the best instructional support to our TWAOW members.

And THANK YOU to our members of TWAOW Ontario, NY Chapter. We couldn't have done any of this without you and we are grateful. We can't wait to do it all again in 2019!

INLAND WATERS TRAP LEAGUE SCORES FOR THE EVENT AT LIMA

Thankfully the "true" winter weather has spared us again for another weekend of shooting. While it was a little foggy on Saturday, and a few flurries Sunday afternoon; 165 of you still came to join us at Lima. Charlie Simpson won the 50/50 for \$40. This month we add an extra \$100 to the Lewis money, note the accumulated total below. Congratulations to Jerry Abbott on breaking the only 50 straight & winning our second Stein event of the year. On the ladies' side - Nita Schumacher, Sherry Covert and Leslie Slater all tied at 43 for the Hayes trophy. The tie will be broken at Mendon by whomever posts the highest score overall. We're officially halfway through the year, see you all February 3rd & 4th!

WORK DAYS CONTINUE EVERY SATURDAY

We can use as many members to help around the club. Work days start about 9:00AM. Every Saturday is a Work Day.

Jobs include the thorough cleaning of the inside of the club house; cleaning of the bathrooms, stocking the wood for the fireplace and help with completion of the construction projects.

Just a reminder to all members, it is requested you assist with work around the club for a minimum of 8 hours each year. If every member would pitch in, the time it takes to complete jobs will be reduced. Will YOU help?

SHOOT COUPON BOOKS AVAILABLE

A shoot coupon book makes a great gift for that special person celebrating a birthday or other special occasion. For \$40.00 the coupon book provides 11 tickets to be used for any open trap shooting event. Buy a coupon book and when you are a little short of cash use a coupon to enjoy a round of trap. See the cashier to purchase your coupon book.

RANGE ORIENTATION

All new club members in order to use the rifle and pistol ranges you must have attended and have passed the **RANGE ORIENTATION**.

To register for the next Range Orientation class to be conducted on **December 15th** you will need to contact range coordinator - Gary Partridge (585) 872-4029 or Bill Palermo (585) 458-5398 or Steve Verdi (585) 739-3195 with any questions you may have.

The Range Orientation begins at 9 AM in the clubhouse and will run to about noon time depending on the number of participants. Try to arrive 5 to 10 minutes early to find a seat. You may want to bring pencil and paper to be able to take notes. When attending the Range Orientation, you will need to have eye and ear protection for the range exercise. If you plan on using rifles, pistols, and shotguns with slugs, all firearms need to be in some type of a case, be it a hard case, a soft case, or a sock. All firearms must be unloaded and the action open at all times unless you are on the firing line actually shooting. You will need five rounds of ammunition for each firearm you bring to the orientation. All firearms and ammunition are to be locked in your vehicle until instructed to retrieve them.

The Constitution and Bylaws for the Ontario Rod and Gun Club Inc. has been thoroughly reviewed and is in dire need of updates. During these meetings discussion was centered around updating and clarifying these two documents.

During the most recent meeting actual work on the Constitution was begun.

Identification of the "Ontario Rod and Gun Club Inc." was reviewed and discussed there were no changes suggested at this time.

Review of our mission statement found that we needed to remove the "assessment fee".
