WREATHS ACROSS AMERICA

“**NATIONAL WREATHS ACROSS AMERICA DAY** is observed annually on a Saturday in December designated by Congress. This year, it will happen on December 14, 2019. National **Wreaths Across America** Day is a movement to cover all Veterans grave markers with a Christmas **wreath**, to remember our fallen U.S. veterans.” Its mission: Honor those who serve. Teach your children the value of freedom.

Wreaths Across America is near and dear to the heart of ORGC, who donated \$500 of the money raised at our 2019 Veterans Fundraiser to this worthy cause. Kaleina Bourgeois is the ORGC member leading the local initiative, and has been involved in this tribute to our fallen for the past few years. Last year, Kaleina and her family placed wreaths at Jacksonville National Cemetery where her father, Dale E. Prindle, was laid to rest in 2017. John & Frankie LaMarca participated for the first time last year at the National Memorial Cemetery of Arizona after seeing the good work done by Kaleina and her crew.

There are several ways you can participate. Visit <https://wreathacrossamerica.org> Something as simple as sponsoring a wreath or helping lay wreaths with the groups organized to cover military cemeteries.

Contact Kaleina at rr4406pak@netzero.net please put WAA in the subject line or text/call 585-520-6992 for more information.

Trinity Star Bourgeois—Newly Minted Marine

Newly minted Marine, Trinity Star Bourgeois, always thought about the military. She almost chose the army until her high school best friend enlisted in the USMC and she began to listen and observe. She learned she wanted more of a challenge and a feeling of brotherhood and belonging. Trinity and a friend began training together at his recruiting station. She continued to train there after he shipped out and discovered the challenge and the camaraderie she craved. “The second I stepped in the door, they acted like they knew me their whole lives. There was just a pride of belonging. I decided then I liked being pushed to do better. Next thing I knew, I was on my way to Parris Island.” Not long after that she completed The Crucible!

Trinity is the daughter of ORGC’s Keith and Kaleina Bourgeois, pictured here at her Parris Island Graduation in South Carolina. Mom and Dad planned plenty of face time while their daughter was in town post graduation. “Next I’ll go to North Carolina for MCT (Marine Combat Training) for 29 days and then my MOS (Military Occupational Specialty) job training for 5-9 months for intelligence and communications,” Trinity reported.

CONGRATULATIONS!

SATURDAY WORK DAY

Do you have a skill you’d be willing to share? Will you help out at your own club?

We request you assist with work at the club for a minimum of 8 hours each year.

We begin at 9:00 a.m. every Saturday rain or shine.

There is always work to do. Painting, range improvements, odd jobs, building, cleaning, organizing and everything in between.

We’ve had many new faces show up to help and they are a welcome sight! Our regular team is so much fun!

Contact Steve Verdi (585) 739-3195 if you have a specialty and time specific availability or better yet, come to the club on our Saturday Work Day, every Saturday rain or shine, and give us a hand.

We’ll be looking for you!

Thank you!!

MARINE CORPS RESERVE

Toys for Tots began in 1947 as the brain child of Marine Corps Reserve Major Bill Hendricks wife, Diane. She crafted a few hand-crafted dolls and asked Bill to deliver them to an agency that supports children in need. The Marine Toys for Tots Foundation was established in 1991. Presently, the Marine Toys for Tots Program distributes an average of 18 million toys to 7 million less fortunate children annually. <https://www.toysfortots.org/> ORGC will be collecting toys. Bring a new, unwrapped toy to the clubhouse any Tuesday from 5:30-8 p.m. or any Saturday all day and place it in one of the marked boxes. The boxes will be picked up and delivered by TFT crew.

The Scatter Sheet will be created remotely beginning in November. I need people to act as “roving reporters” who will send pictures and info about the club activities while I’m in Arizona. Send all content to: frankielamarca@gmail.com Thank You.

Thank You Member Volunteers!

Thank you to Jeff Aman, Tom Scott and the usual suspects at USPSA Tuesday Night Practice Match. We’ve finished another season of action and great stages that always challenge our skills. The increasingly popular Tuesday Practice Matches will begin again in the spring!

Thank you to the ORGC crew who gathered to assisted the Williamson American Legion Post Riders Post #394 deliver food boxes to local veterans in need. ORGC’s July Veterans Fund-raiser made food box delivers possible year long thanks to your generosity. Another delivery is planned in November and December. For more information, contact Jerry Slater at jerry.slater46@yahoo.com.

Let’s try it out a few times!

I know! Let’s add 6 more walls and 7 hard cover behind barrels.

ORGC USPSA MONTHLY MATCH

A frosty but sunny October morning was the backdrop for the ORGC Monthly USPSA Pistol Match. There were 4 squads with a total of 37 competitors. Everyone appeared to have a great time!

Check the results on Practiscore, the best way to see the scores !

A big thank you to our dedicated volunteers, who started setting up the stages on Saturday. Thank you to everyone who showed up to compete. Thanks to Match Director, Steven Georgia, who designed some unique stages. Thanks to Range Master, Steve Verdi, for the final word on USPSA rules.

A monthly match is tentatively planned for November. We will keep a close watch on the weather to see if it cooperates for just one more match before we pause for the winter.

Setting up a match takes time and effort of volunteers. One benefit of helping to set up the stages is the sneak preview and having an opportunity to analyze a few scenarios. We appreciate the help, too. Feel free to walk them multiple times while you carry props!

Pictured are a few folks of the amazing Squad 4. Send pictures of your squad or awesome shooting to Frankie. Thanks.

It's an exciting time at ORGC! We are the first and only official **3-Gun Nation** affiliated club in the state of New York! What does this mean for you? This means you as a shooter can join 3-Gun Nation and get your official national classification at local ORGC 3 gun events. ORGC will be holding larger scale 3 gun events that will contain special 3GN classifier stages. It is these classifier stages that will determine your national ranking. You will be able to directly compare your scores to the best shooters in the sport. Browse the rules and membership information at:

<http://3gunnation.com>

What is 3-Gun?

3-Gun is best described as the “X Games” of the shooting sports. Fast paced action! The sport of 3-Gun requires three different guns — a pistol, a shotgun and a rifle. The course of fire is timed and you score points by shooting a variety of targets including paper targets, clay pigeons and steel.

In 3-Gun, the course of competition and targets are at the discretion of the match director. That's right, each match director makes up the competition so each 3-Gun match you shoot will be unlike the one you shot before. There may be shoot or no-shoot targets, targets that must be knocked down, while others, like steel, for instance, may activate another target. The course is scored by how many targets you hit, the accuracy of the shot on certain targets (cardboard), deductions for various penalties and, of course, the time you take to complete the course.

Gearing up for 3-Gun...

Believe it or not, you do not have to break the bank to enter the sport of 3-Gun. Attend a match to see what it's all about, and you're likely to find more than a few willing to loan you their guns for the day to get you started. Typically, you would start with a modern sporting rifle (MSR) such as an AR-15, a shotgun (pump or semi-auto as you choose) and a handgun. You are going to want to select a shotgun of 20-gauge or larger, a rifle chambered for .223 or larger and a pistol of 9mm or larger. You'll also need spare magazines for your rifle and pistol, as well as a way to carry and easily access shotshells.

If you have any questions or need more information about 3 Gun Nation, please email Keith Bourgeois at: keith@teamrangelog.com

CMP AT ORGC—LAST MATCH FOR 2019

CMP Match Schedule 2020

To be announced.

The Civilian Marksmanship Program (CMP) is a national organization dedicated to training and educating U. S. citizens in responsible uses of firearms and air guns through gun safety training, marksmanship training and competitions.

A beautiful fall day for the October CMP match. Once again the match was lots of fun for the long rifle lovers it attracts. The program is growing in popularity, providing an opportunity for honing marksmanship skill for all ages and abilities. The collaboration between Pembroke and ORGC has provided valuable input as Pembroke ventures into running CMP at their club next year.

Please contact **Todd Hughes or Bill Burger** to be added to the CMP Match mailing list for these matches or if you have any questions about equipment and supplies needed.
